

- Fixed investment amount should be TL 500.000 or above to be eligible for investment incentive system.
- Incentive system does not offer grant support.
- Investments within the organised industry zones, sectoral cooperation based investments, and certain investments in the classification of medium/high technology segment pursuant to the OECD definition of technology intensity would benefit from the supports for a higher region.

Documents Required for the Application for Incentive Certificate

- Letter of Application
- Circular of signature
- Letter of commitment and investment information form
- Receipt substantiating that application fee has been paid
- Turkish Trade Registry Gazette which demonstrate the company's current status in terms of shareholding structure, capital amount and business
- A letter to be received from SSI substantiating that the company does not any debt
- "Environmental Impact Assessment Approval Decision or Decision stating that Environmental Impact Assessment is not required"
- Other information and documents that might be requested by the General Directorate depending on the industry and size of the investment or incentive practices

Investment Support Experts are awaiting you to help you **benefit from state incentives in your investments.**
